

## UNIFORM GUIDE

### A. General information:

1. The school uniforms are only sold to Renaissance College's students for them to wear in school or when attending external school events.
2. On campus all students from Year 1 to Year 11 are required to wear the school uniforms, including travelling to and from the school.
3. Students in Year 12 and Year 13 need not wear the uniform to school, however it is expected that they dress appropriately for the formal school environment (Refer to the DP student organizer for more details)
4. While wearing the school uniform the clothing should fit appropriately, not too tight, too short or too baggy.
5. Some items are available in two colours. For example, the colour of top and bottom uniforms may be contrasting, such as a khaki polo shirt matching with a grey cargo pants and vice versa.
6. The striped polo shirt is to be worn outside in all seasons. In winter it is worn on top of the long sleeve T-shirt and, if the weather conditions become adverse, covered by one or more of the winter items as listed in 'D' hereunder.
7. On the day when there is P.E. lesson, primary students need to wear their P.E. uniforms to school, while secondary students should wear the regular school uniform and change into their P.E. uniforms for the P.E. lesson only. .
8. During colder weather students are expected to wear the school windbreaker. They may wear full-length tights with skirts, but not over the knee-high socks or leggings.
9. Non-RCHK hats, fleeces or anoraks are not permitted.
10. The school does not specify a date for changing summer/winter uniform. Students should dress appropriately for the weather with the appropriate uniform items.
11. For hygiene reason, socks are not returnable nor able to be exchanged after sale.
12. Students must wear either black or tan shoes when they are in uniform. When they have P.E. they must wear track shoes.
