

Pre-8 Typhoon Signal Protocol

The purpose of this letter is to allow parents to inform us of their approval for their child(ren) to leave the College campus for home or an alternate destination if a Pre-8 typhoon signal is raised while the school is in session.

If such a situation occurs and we are advised by ESF and/or the Education Bureau to close the school, then it will be necessary for our students to go home or to an alternate parent-directed destination within two hours of the Pre-8 signal being raised. Once a T8 signal is hoisted we cannot release students from our campus. Only when it has been changed to a T3 or lower can we do so.

We will not be sending students home by school bus should a Pre-8 typhoon signal be raised.

If a Pre-8 typhoon signal is raised while RCHK is in session, either your child(ren) will be released to make their way to home or alternate destination by foot and/or public transport OR a parent or guardian will be required to come directly to the school to collect them.

Primary students will **not** be permitted to leave the school unaccompanied – only in the care of an older sibling or a parent or guardian.

Students will be sent home by public transport and/or on foot in the event of a Pre-8 signal ONLY IF the College has received written permission via return of the signed form below.

Otherwise, they will be required to remain on-campus until a parent or guardian arrives to collect them. *(The parent or guardian will need to go directly to the child's classroom/Advisory room to do so.)*
