Science Lab Safety Rules

Parent Agreement Form

The following lab safety rules have been agreed by Science teachers. According to the ESF Health and Safety Policy, all students and parents are required to sign a form indicating that they have read and understood these rules. Please sign this form and return to the advisor.

- 1) Always follow teacher's instructions.
- 2) Do not enter lab unless teacher is present.
- 3) No eating in lab, especially no gum.
- 4) No drinking (except bottled water).
- 5) Bags must be stored under tables or outside the lab during experiments.
- 6) No running in lab.
- 7) When using Bunsen burners and/or handling chemicals, tie hair back and wear goggles.
- 8) If anything breaks or spills, inform teacher immediately.
- 9) If a student is injured, inform teacher immediately.
- 10) Always wash hands after handling equipment.
- 11) The use of laptops during experiments is at the student's own risk.
