

Year 7 Humanities Overview 2011-2012

Year 7	Unit 1: Introduction to the MYP	Unit 2 Mapping	Unit 3 Changing Places	Unit 4 Poverty	Unit 5 Weather
Units	ALL	Environments	Community & Service	Community & Service	Environments
Unit Concept	Although you are changing schools you are still part of the IB world.	Maps are a method of recognizing and describing <u>space</u> , including natural and human environments.	Every individual and every community <u>changes</u> over time.	People are poor in different ways. We are all responsible for fighting poverty.	Different people experience weather.
Unit Question	What are the similarities and differences between the PYP and the MYP.	How can I use maps to find out and describe the environment around me?	How did this community come together?	What is Poverty and whose problem is it?	Why do we experience wild weather?
